Elizabeth Herron has been doing sustainable energy efficient architecture in Mt Washington and Northeast arear for 34 years. Give her a call at 323-225-5711 or 818-209-9149. She has done over 100 remodels and 50 new homes all over Los Angeles and has never advertised. All word of mouth from satisfied homeowners. She is primarily a hillside specialist and is very reasonably priced. Give her a call and see for yourself.

Warren Christensen

Subject: [nelalist] Architect

I have a small, just over 1,000 sqft, 1920's Spanish home in Eagle Rock, and am looking for a local architect to do plans for an addition of a bathroom and bedroom, and remodel of the kitchen. Please let me know if you have any recommendations, or know of an architect who has worked on a similar home in the area.

Thank you.

To: Pamela Hirneisen <[pamela.hirneisen@lacity.org](mailto:pamela.hirneisen@lacity.org)>

Greetings from Los Angeles Sanitation!

Phase 2 of the plastic bag ban goes into effect on July 1, and we're trying to find better ways to reach out to residents within the City of Los Angeles. I'm wondering if you will consider sharing information with your community so that they can be better prepared?

Attached please find a fact sheet, a list of locations where people can pick up free bags, a simple multi-lingual flyer, English and Spanish flyers, and an ad banner to be used online (this could be directed to [www.lacitybag.com](http://www.lacitybag.com)). A press conference will be held on the South Lawn of City Hall on June 30 at 9:30am, where the winner of the Mayor's reusable bag design contest will be announced.

I am very appreciative of any assistance you can provide. Please don't hesitate to contact me with any questions.

Warmest Regards,

\*Pamela Hirneisen\*  
Marketing Manager

#### 4a **Removal of southbound lane on Figueroa**

Fri Jun 20, 2014 1:48 pm (PDT) . Posted by: [rourk\\_us](#)

I went to the Greater Cypress Park NC meeting on Tues. One of the discussions was about removing one lane of Figueroa to put bike lanes in. I'm sure there could be some sort of compromise for more bike safety and keeping a much needed lane that goes to two freeways.

Im also wondering why a bike path is also not being continued along the Arroyo Seco.?

Supposedly the GCPNC is inviting LADOT to talk about the traffic reports on Tues. 6/24 at 6pm at the Cypress Park Rec center. When I know more or have an agenda I will post.

Best,

Rourk

#### 4b **Re: Removal of southbound lane on Figueroa**

Fri Jun 20, 2014 3:47 pm (PDT) . Posted by: [garzapi](#)

The LADOT has adjusted plans and will leave TWO car lanes from Avenue 28 heading in a south direction. I was initially very worried about the car lane removal myself. However, after much research and direct observation, it is clear the traffic on Figueroa heading south in the morning has everything to do with the 110 getting backed up and very little to do with car lanes. Even if there were four car lanes heading south, no traffic lights and no speed limit, the traffic would back up at about Avenue 26 because the freeway simply fills up. Take a moment any morning and observe for yourself. Also, the problem traffic begins after 7:15 a.m. If time is a concern, leaving earlier solves a lot of problems, as does entering the freeway at Avenue 43 and avoiding Figueroa all together if your aim is to get on the freeway. On another note, there has been an average of ONE PEDESTRIAN DEATH A YEAR on Figueroa due to traffic speed. The elimination of one lane, aka a "road diet" will make Figueroa safer for bikes, pedestrians and cars. Also, the new bike lanes and safer streets will actually INCREASE retail. This has been proven time and time again. Here is more information. <http://fig4all.org/2014/06/20/what-will-the-ladots-bike-lane-plans-do-to-traffic-at-avenue-26/> <http://fig4all.org/2014/06/20/what-will-the-ladots-bike-lane-plans-do-to-traffic-at-avenue-26/>

#### 4c [Re: Removal of southbound lane on Figueroa](#)

Fri Jun 20, 2014 3:47 pm (PDT) . Posted by: [emsmom\\_mfree](#)

There has been a compromise reached for the lanes. The southbound lane is not going to be removed south of Ave 28. From Ave 28 to San Fernando the lanes will stay as is and the parking spots on the southbound side will be removed to allow space for the bike lanes.

Hi Dave,

A Nela neighbor, believe his name is Per, has hens in his backyard and sells eggs. Someone who buys eggs from him told me about him. Here's his Facebook page. He sounds like someone who would trade for honey.

<https://www.facebook.com/CityChix>

More info on the web if you search on CityChix.

Deb

I'm not sure if Hynden Walch is on this list, but she runs something called

Hillside Produce Cooperative which meets once or twice a month and people swap their backyard produce, honey, eggs, baked goods, fruit, etc. etc.

I'm pretty sure in the past that there have been eggs, but you might check with her. The email is hillsideproducecoop@gmail.com

The LA River Needs Your Help Problems viewing this E-Alert, click here [http://www.asmdc.org/members/a51/outreach/20140618AD51eAlert.htm?utm\\_campaign=Gomez\\_LA-River-June-2014&utm\\_medium=email&utm\\_source=information&utm\\_content=link](http://www.asmdc.org/members/a51/outreach/20140618AD51eAlert.htm?utm_campaign=Gomez_LA-River-June-2014&utm_medium=email&utm_source=information&utm_content=link).

The LA River Needs Your Help

Dear Friend,

Make your voice heard for the LA River Greenway! Together with the LA River Revitalization Corp, we're asking for your support of my Assembly Bill 1922, the Greenway Development and Sustainment Act. AB 1922 has already passed the Assembly and is now in front of the State Senate. This bill will empower local governments throughout California to designate and develop urban greenways like the one planned for the LA River. Please sign this petition [http://www.larivercorp.com/i\\_support\\_ab\\_1922](http://www.larivercorp.com/i_support_ab_1922) to urge the Senate to pass AB 1922.

Local organizations and neighbors all over Los Angeles are collaborating to show unified support online for LA River revitalization - you can help by sharing the petition on Facebook and Twitter and asking your friends to sign.

Here are two posts you can cut and paste to your favorite social media:

Love the #LARiver? Help us support #Greenway2020 & urban greenways with Asm @JimmyGomezCA. Sign our petition: <http://bit.ly/1Dcr2r> <http://bit.ly/1Dcr2r>

I support #LARiver revitalization. Sign the petition <http://bit.ly/1Dcr2r> <http://bit.ly/1Dcr2r> for #AB1922 by Asm @JimmyGomezCA.

By spreading the word, you are joining efforts to transform the LA River corridor, revitalize local neighborhoods, create spaces for recreation and art, improve much needed urban green space, and attract investment to boost the local economy.

Tell the California Senate just how important LA River revitalization is for the future of LA! Help us show unified support for AB 1922 and sign the petition [http://www.larivercorp.com/i\\_support\\_ab\\_1922](http://www.larivercorp.com/i_support_ab_1922) now!

Sincerely,

Jimmy Gomez

Assemblymember, 51st District
